

LEARNING CLOUD SUPPORT PASS FOR CUSTOMERS

NetSuite Services

In today's fast-paced business environment, time is a precious commodity. People need access to answers in real-time at any hour of the day to keep operations at optimal levels. This can be a challenge when maintaining success with an enterprise software system. From the second you go live, processes literally change overnight, as does the makeup of your team, and unless you keep users engaged and supported, you miss out on getting the most out of your investment. This can lead to a disruption in your daily operations, impacting business through lost time, missed opportunities for innovation and, ultimately, revenue.

Key Benefits:

- Increased self sufficiency
- Maximized productivity
- Increased goal achievement
- Strengthened long-term ownership

There is an easy answer.

Learning Cloud Support Pass is a subscription-based ongoing training solution that enables you to easily and cost-effectively engage in continuous learning. LCS Pass gives you on-demand access to learning 24 hours a day, 7 days a week. From a wide range of courses that include resources, reference materials and email access to instructors, to hands-on exercises to practice and validate your knowledge—LCS Pass is your key to having the most empowered employees using updated information to drive your success with your NetSuite solution.

LCS Pass is perfect for individuals needing just-in-time training on many areas of the NetSuite application. With Learning Cloud Support, you have online access to learning content anytime, anywhere. You decide what you need, when you need it.

LCS Pass provides a named user with always-available online public courses from the list of [NetSuite's publicly offered courses](#).
