Pre-work	You must complete the required pre-work in the Learning Portal before attending class (refer to your class confirmation email for details). However, if you completed any of the training courses in in the pre-work curriculum previously, please notify partnerenablement@netsuite.com .																					
Pre-Class Check-in Session	<p>It is mandatory that each attendee join a pre-class check-in session, to ensure you are fully prepared for your class. In the session your class facilitators will:</p> <ul style="list-style-type: none"> • Review Zoom features that will be used for the class delivery • Ensure that you have access to all the resources and tools you will need for the class • Answer any questions you may have about the pre-work 																					
Zoom Invitation	<p>Watch your inbox for Zoom invitations:</p> <ul style="list-style-type: none"> • Check-In session invitation will be sent approximately two weeks before class • Class invitation will be sent after Check-in session 																					

	<ul style="list-style-type: none">• Please note that the Zoom meeting will be open 15 minutes in advance of the official start time should you wish to test your Zoom settings and get comfortable ahead of the class start.
Webcam	A webcam is not mandatory, but it is recommended! At certain points, the Facilitators will invite attendees to use their webcams such as at the beginning of each class and during the wrap-up portions at the end of each day.
