Customer Success Services – Ecommerce: Commerce Agency Program (“CAP”)

A. Description of Services
Oracle will provide You with the following premium support services related to Your Customer’s Oracle NetSuite Ecommerce (“NSE”) website instance (“Services”):

1. Provide up to thirty-six (36) hours of Services to assist You with any of the following:
   a. Website maintenance (“WM”) requests that may consist of assistance with:
      i. Creating new ecommerce functionality;
      ii. Performing website updates;
      iii. Providing web store and/or back-office scripting;
      iv. Optimizing integrations;
      v. Providing landing or other new pages, templates or layouts;
      vi. Providing Search Engine Optimization (“SEO”) reviews; and
      vii. Providing Built-to-Perform (“BTP”) and other website performance-related assistance.
   b. Website Optimization (“WO”) requests that may consist of assistance with:
      i. Providing SEO reviews; and
      ii. Providing performance and design reviews of Your Customer’s NSE website instance.

2. Track Your utilization of the hours allocated for the Services.

3. Assess whether Your WM requests are within the scope of the Services provided under this section A (Description of Services) and inform You of the estimated hours of Services to perform such requests.

4. Create a report describing findings and recommendations for any WO requests.

B. Your Obligations and Project Assumptions
You acknowledge that Your timely provision of and access to office accommodations, facilities, equipment, assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations
   a. Prior to providing any Services to You, ensure Your Customer obtains Oracle Cloud Services (including the applicable NSE website described in the Description of Services above) under
separate contract and maintains such Oracle Cloud Services, without interruption, during the period such Services are being provided to Your Customer.

b. Provide Oracle with full access to relevant functional, technical and business resources with adequate skills and knowledge to support the performance of Services.

c. Provide, for all Oracle resources performing Services at Your site, a safe and healthful workspace (e.g., a workspace that is free from recognized hazards that are causing, or likely to cause, death or serious physical harm, a workspace that has proper ventilation, sound levels acceptable for resources performing Services in the workspace, and ergonomically correct work stations, etc.).

d. Provide any notices, and obtain any consents, required for Oracle to perform Services.

e. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform Services.

f. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.

g. Be responsible for any sandbox instances required by Oracle.

h. Be responsible for user acceptance testing (“UAT”).

i. Be responsible for Your organizational change enablement and communication activities.

j. Don’t film or record Oracle’s delivery of Services, Oracle resources, or any Oracle materials.

k. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of hours allowed for the performance of Services above in section A.

l. Provide Oracle with authorized dedicated administrator user access to Your Customer’s systems.

m. Be responsible for any third party payment processor fees and/or services.

n. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Customer’s Google Analytics account to facilitate the collection of website data, and enable Oracle to access Your Customer’s Google Analytics account, if required, via the use of a third party application program interface (API) agreed to by Oracle.

o. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your Customer’s website as part of the Services described above and obtain all proper licenses for any such images, materials and content.

2. **Project Assumptions**

a. Oracle will determine if recommended WM changes need to be tested in a sandbox instance prior to being applied to production or can be applied directly to production.

b. All Services are performed remotely unless otherwise mutually agreed in writing.

c. All Services communication are in English.

d. All Services performed outside normal business hours, performed in excess of ten (10) hours per day by any Oracle resource, or in excess of fifty (50) hours per week by any Oracle resource shall require Oracle’s prior written consent.

e. The Services described above will be limited to supported browsers. Oracle’s updated published list of supported browsers can be found on SuiteAnswers within Your Customer’s system by searching for “supported browsers” in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or
refuse to perform Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise insecure and will inform You of such decision.

f. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.

g. Your primary form of communication with Oracle outside of meetings described as a part of the Services described in section A above will be by email and the Oracle NetSuite case management tool.

C. Expenses
In addition to the fees set forth in Your order, You agree to reimburse Oracle for travel and out of pocket expenses related to providing any on-site Services. All expenses invoiced monthly hereunder are due and payable in accordance with the payment terms of Your order.

D. Unused Services
The Services must be used within the Term identified in Your order. Any portion of the Services not used within the Term will be automatically forfeited by You, with no further action required of either party, and You will not be entitled to a refund, or any credit toward additional or other services, for any unused portion of the fees paid for any unused portion of the Services. You may not apply any portion of unused Services or fees paid, for any services other than the Services stated in Your order. In order for Oracle to provide services to You after the Term, Oracle and You shall mutually agree, in writing, under a separate ordering document, to the terms and fees for such services.

E. Pro-rated Service Hours
Services in section A above that are limited by a maximum number of Services hours are based on a twelve (12) month term. If the Term identified in Your order is less than twelve (12) months in duration, such maximum number of Services hours will be pro-rated accordingly.

F. Primary Point of Contact
You agree to designate a primary contact who will work together with Oracle to facilitate an efficient delivery of Services.

G. Other
Notwithstanding the quantity (“Qty”) amount listed in Your order, the actual quantity of Services purchased is always one (1). For clarification, the Qty amount listed in Your order refers to the number of months in the Term and not the actual quantity of Services purchased.

B. Your Obligations and Project Assumptions

You acknowledge that Your timely provision of and access to office accommodations, facilities, equipment, assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. Your Obligations

   a. Obtain Cloud Services under separate contract prior to the commencement of Services under Your order and maintain such Cloud Services for the duration of the Services provided under Your order.

   b. Provide Oracle with full access to relevant functional, technical and business resources with adequate skills and knowledge to support the performance of Services.

   c. Provide, for all Oracle resources performing Services at your site, a safe and healthful workspace (e.g., a workspace that is free from recognized hazards that are causing, or likely to cause, death or serious physical harm, a workspace that has proper ventilation, sound levels acceptable for resources performing Services in the workspace, and ergonomically correct work stations, etc.).

   d. Provide any notices, and obtain any consents, required for Oracle to perform Services.

   e. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform services.

   f. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.

   g. Be responsible for any sandbox instances required by Oracle.

   h. Be responsible for user acceptance testing (“UAT”).

   i. Be responsible for Your organizational change enablement and communication activities.

   j. Don’t film or record Oracle delivery of the Services, Oracle resources, or any Oracle materials.

   k. Use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of hours allowed for the performance of Services above in section A.

   l. Provide Oracle with dedicated user access to Your systems.

   m. Be responsible for any third party payment processor fees and/or services.

   n. Procure, if required, a Google Analytics account and provide Oracle with authorized access to Your Google Analytics account to facilitate the collection of website data, and enable Oracle
to access Your Google Analytics account, if required, via the use of a third party application program interface (API) agreed to by Oracle.

o. Provide all images (to include product items, shipping items, information items and categories), materials or other content that Oracle will integrate into Your website as part of the Services described above and obtain all proper licenses for any such images, materials and content.

2. Project Assumptions
   a. Oracle will determine if recommended WM changes need to be tested in a sandbox instance prior to being applied to production or can be applied directly to production.
   b. All Services are performed remotely unless otherwise mutually agreed in writing.
   c. All Services communication are in English.
   d. All Services performed outside normal business hours, performed in excess of ten (10) hours per day by any Oracle resource, or in excess of fifty (50) hours per week by any Oracle resource shall require Oracle’s prior written consent.
   e. The Services described above will be limited to supported browsers. Oracle’s updated published list of supported browsers can be found on SuiteAnswers within Your system by searching for “supported browsers” in the search tool and clicking on the resulting document. Notwithstanding the foregoing, Oracle may in its sole discretion de-support or refuse to perform Services on any supported web browsers or mobile device operating system that it believes to be vulnerable or otherwise insecure and will inform You of such decision.
   f. Oracle will utilize responsive design techniques for mobile websites. Responsive design will apply only to the currently popular commercial tablets (iOS and Android) that utilize standard screen ratios.
   g. Performance monitoring does not include order placement metrics.
   h. Alerts triggered by performance monitoring are handled as an incident pursuant to the applicable Support Terms (http://www.netsuite.com/portal/resource/terms-of-support-services.shtml).
   i. Your primary form of communication with Oracle outside of meetings described as a part of the Service described in section A above will be by email and the Oracle NetSuite case management tool.

C. Expenses
   In addition to the fees set forth in Your order, You agree to reimburse Oracle for travel and out of pocket expenses related to providing any on-site Services. All expenses invoiced monthly hereunder are due and payable in accordance with the payment terms of Your order.

D. Unused Services
   The Services must be used within the Term identified in Your order. Any portion of the Services not used within the Term will be automatically forfeited by You, with no further action required of either party, and You will not be entitled to a refund, or any credit toward additional or other services, for any unused portion of the fees paid for any unused portion of the Services. You may not apply any portion of unused Services or fees paid, for any services other than the Services stated in Your order. In order for Oracle to provide services to You after the Term, Oracle and You shall mutually agree, in writing, under a separate ordering document, to the terms and fees for such services.

E. Pro-rated Service Hours
Services in section A above that are limited by a maximum number of Services hours are based on a twelve (12) month term. If the Term identified in Your order is less than twelve (12) months in duration, such maximum number of Services hours will be pro-rated accordingly.

G. **Primary Point of Contact**
   You agree to designate a primary contact who will work together with the Oracle to facilitate an efficient delivery of Services.

H. **Other**
   Notwithstanding the quantity (“Qty”) amount listed in Your order, the actual quantity of Services purchased is always one (1). For clarification, the Qty amount listed in Your order refers to the number of months in the Term and not the actual quantity of Services purchased.

B. **Your Obligations and Project Assumptions**
   You acknowledge that Your timely provision of and access to office accommodations, facilities, equipment, assistance, cooperation, complete and accurate information and data from Your officers, agents, and employees (collectively, “cooperation”) are essential to the performance of any Services as set forth in Your order. Oracle will not be responsible for any deficiency in performing Services if such deficiency results from Your failure to provide full cooperation.

You acknowledge that Oracle’s ability to perform the Services depends upon Your fulfillment of the following obligations and the following project assumptions:

1. **Your Obligations**
   a. Obtain Cloud Services under separate contract prior to the commencement of Services under Your order and maintain such Cloud Services for the duration of the Services provided under Your order.
   b. Provide Oracle with full access to relevant functional, technical and business resources with adequate skills and knowledge to support the performance of Services.
c. Provide, for all Oracle resources performing Services at Your site, a safe and healthful workspace (e.g., a workspace that is free from recognized hazards that are causing, or likely to cause, death or serious physical harm, a workspace that has proper ventilation, sound levels acceptable for resources performing Services in the workspace, and ergonomically correct work stations, etc.).

d. Provide any notices, and obtain any consents, required for Oracle to perform Services.

e. Limit Oracle’s access to any production environments or shared development environments to the extent necessary for Oracle to perform Services.

f. As required by U.S. Department of Labor regulations (20 CFR 655.734), You will allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee’s arrival on site.

g. Be responsible for any sandbox instances required by Oracle.

h. Be responsible for user acceptance testing (“UAT”).

i. Be responsible for Your organizational change enablement and communication activities.

j. Don’t film or record Oracle delivery of Services, Oracle resources, or any Oracle materials.

k. You shall use commercially reasonable efforts to attend all scheduled meetings. The repeated cancellation of meetings may result in delay and inefficient use of the maximum number of hours allowed for the performance of Services above in section A.

l. Provide Oracle with dedicated administrator user access to Your systems.

m. Be responsible for any third party payment processor fees and/or services.

2. Project Assumptions
